Report of social service

On account of our revered founder Sadhu T.L. Vaswani's 57th Mahayagna, social service was conducted by FYBA B division on 18th January 2023.

The class decided to collect unused papers of their notebooks and make new notebooks to be donated to children of Swapnabhumi, a destitute home for children run by Socio-Economic Development Trust, Kerwadi Parbhani Dist.

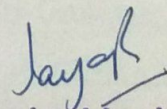

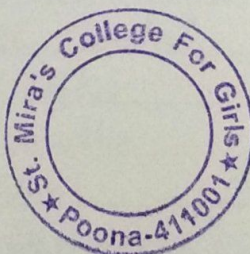

A group of volunteers took the responsibility of collecting papers, arranging them in bundles of 100 pages and then give for binding. The work of binding was given to a Disability Centre in Chakan with a view to support their income generation program. Students visited SEDT office in Pune to give the notebooks. They had long interaction with the Director of SEDT, Mr. Ajinkya Kulkarni who explained to them nature of work SEDT is doing since 1978. This interaction was very motivating for students.

7 students participated in this activity.
