The SOUL (Social Outreach United Learning) Programme by the Department of English, for the academic year 2022-23, was in collaboration with the Sadhu Vaswani School where TYBA S3 students from the college mentored Standard 4 students from the school. The aim of the program was to help students from under privileged backgrounds overcome obstacles in the learning of English as a subject and as a language. This program introduced TYBA S3 English Special students to ELLT teaching; specifically how to generate useful study material, planning quizzes and assigning worksheets along with the imparting of teaching skills and life skills like responsibility, commitment, punctuality and leadership while also enabling the underprivileged learners to overcome all challenges in learning English through active engagement in the course.
