Presentations

Students can pick a literary critical approach of their choice from the syllabus and analyse a text, poem or visual text (music video, movie, short film) of their choice in light of the critical approach. This must be made in the form of a powerpoint presentation which they will present in class before their peers. The presentation should be no more than 10 minutes long. You may choose to record and play the presentations in class if you do not wish to do it live.

Please share the links of your presentation videos + ppt here. You can create a folder for the same on your personal google drive and then share the link of the folder
