MyCaptain is an online platform that aims towards helping students pursue their passion and make informed career choices. At MyCaptain, we connect students to young achievers in their field of passion. We mentor students through online courses where they get practical and hands-on experience in their selected field. The students also join a community of like-minded individuals from all across the country and get internship opportunities.

Monal Siddharudh Halinavar has worked as a Campus Ambassador from 05.01.2023 to 21.03.2023. They did exceptionally well in , where they were able to reach out to a large group of students and assist them to understand and follow their true passion. They performed well in multiple domains, from Social Media Marketing to Sales and External Collaborations.

Monal Siddharudh Halinavar has been an extremely cheerful, trustworthy and hard-working member of our team of ambassadors. They have worked for our team zealously and have always been punctual and reliable. They have shown excellent communication skills when working with a wide variety of people, including teenagers, other university students, and staff within their role and have been universally liked and respected. They are a superb team member, engaging with others and taking on the role of team leader when required.

I have received high acclaim from their Business Development Executive-in-charge, and I would highly recommend them for any team or individual role- they would be an asset to any workplace. With this, I'd like to wish them all the best for their future endeavours.
