To Whom It May Concern

Re: Snehal Darwatkar - Nayi Disha Resource Centre Online Directory Development

Ms. Snehal Darwatkar interned with LIFEAsia Community Empowerment online for one month through March 2022 for a total of 24 hours.

LIFEAsia Community Empowerment is a space for a wide range of local, national and international inclusive community activities and projects for all ages and stages – children, parent and professionals. These range from counselling, therapy, education, health and wellness to entertainment and recreation. Interns take part in any ongoing projects and implement tasks as assigned. Training is provided wherever necessary.

Nayi Disha Resource Centre

LIFEAsia Community Empowerment serves as a voluntary coordinator for the local Pune area, and one of the national team working to populate disability-related service provider registration and listings on the Nayi Disha Resource Centre platform. Our main focus in March 2022 has been to assist the Nayi Disha Outreach Team in two areas:

- contacting interested disability-related service providers in Pune, and encourage them to register with the Nayi Disha Online Service Provider Directory
- gathering contact data of disability-related service providers for Bhopal, Jamshedpur, Kanpur, and Nagpur, for the Nayi Disha Outreach Team to follow up.

Snehal felt that when connecting with the service providers, she had varied experiences. Some maybe polite, some maybe not so polite, some maybe in a hurry, and in that situation, she was interested in learning how to try her best to convince them. She appreciated the mentoring, training and guidance throughout this internship

Snehal is diligent and open to any tasks assigned. She is a friendly, bright and cooperative team player. We are extremely grateful to Snehal for all her efforts. We wish her all the best for a very successful future.

Kind regards
