MENTORING REPORT

Date: 16-09-2022
Time: 11:00-12:00

Venue: Psychology Lab
Mentor: Sharmin Palsetia

a. Issues or problems students had under the following headings: social, cognitive and emotional-

I. Social-

1. More information on mental well-being program is required by the students.
2. The students are still adjusting to the college environment especially after two years of online lectures.
3. They are finding it hard to socialize and make friends.
4. The students wanted to know about various activities and clubs of college.

II. Cognitive-

1. Lack of awareness about one's strength areas so there is inhibition in participating in college activities.
2. Lack of awareness about one's short term and long term goals. So need clarity in selecting their special subject at the second year.
3. The content being covered/taught in the class is overwhelming

III. Emotional-

1. Adjusting to college life is little difficult for them as they had online lectures since two years.
2. Making new friends is a challenge.

b. How you resolved them-

Social issues- The social issues were discussed with the students. Information pertaining to mental well-being program, drama club, green club, competitive exams preparation club, placement and internship cell etc was provided to the students.

Cognitive issues- For the cognitive related issues the students will be helped in identifying their strengths, improvement areas and the goals. The students were provided tips for time management. The students were provided tips on for understanding and revising the content taught in the class.

Emotional issues- The students were told to create small groups of the people they know in the class or in the mentoring session with whom they share common likes

c. The outcome of your mentoring program-

The students were in the favor of and liked the initiative of the mentoring program. They felt heard and understood.

Mentoring Session 2

St. Mira's College For Girls, Pune
Autonomous College (Affiliated to Savitribai Phule Pune University)

Mentoring Report

Saturday 11 Feb 2023

Number of students: 14

Time: 10:00-11:00am

Venue: Room 203

Report:

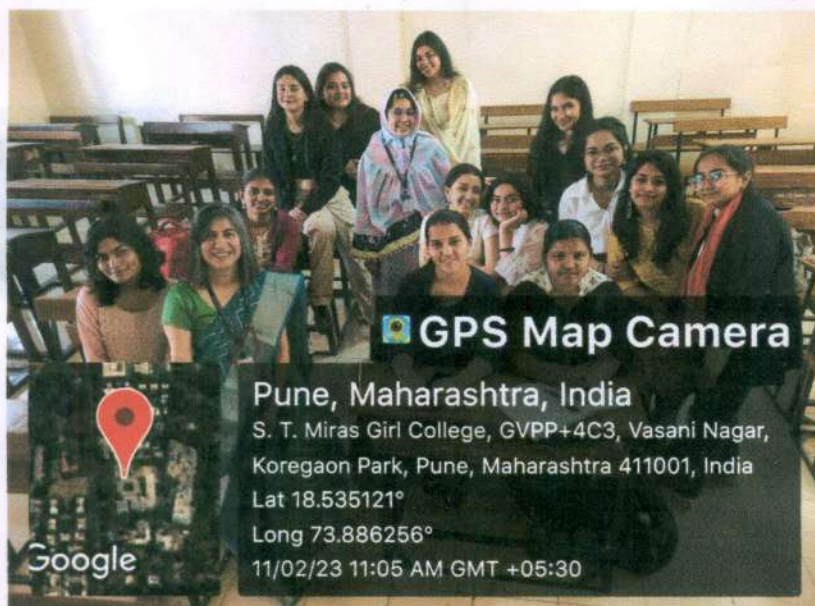

The mentoring session began with general guidance on dealing with stress considering the circle of control as opposed to the circle of influence advising students to focus on what they can do. This was followed by a career counselling session asking students to examine their strengths and weaknesses, likes and dislikes and what they want from life. Each student shared their future plans and they were advised how to proceed and which alumni to connect with.

This was followed by a discussion on concerns and issues they would like to discuss. Some shared their concerns about their family and restrictions imposed on them as they were girls. They also suggested that it would be nice if the college had an infirmary for students who were feeling unwell.

Class TYBBA(CA)

2.3.2 The institution adopts effective Mentor-Mentee Schemes to address academics and student-psychological issues

Mentoring Session 3

St. Mira's College For Girls, Pune
Autonomous College (Affiliated to Savitribai Phule Pune University)

Mentoring Report

Date: Tuesday 29th March 2023

Number of students: 19 (15 offline; 4 online)

Time: 11:00-12:30pm

Venue: A.V. Room

Report:

As a follow-up to the mentoring session held in February, mentees discussed the careers that they would like to take up. Each mentee discussed her choices and then a plan of action was drafted for each career domain. There were some who wanted to do an M.A. in creative writing; some wanted to go into teaching; journalism; clinical psychology; event management; and even an M.A. in Literature in university across India and abroad. A plan of action was suggested for each domain. All students were guided on creating portfolios; maintaining LinkedIn profiles and drafting both resumes and statements of purpose.

The feedback links were shared with the students and they were urged to fill the feedback forms and request their parents to fill them, too. Many students filled the forms immediately.

MENTORING SESSION 3 REPORT

Date: 29-03-2023

Venue: Electronics Lab

Time: 11.00 AM -11:45 AM

Mentor: Anitha Menon

1. Issues or problems shared by the students

Academic: No issue in particular. Only one student had problem with the course as she was forced to take the course by her parents. She is interested in Botany.

Extra Curricular Activities:

Social: FY students were happy about mentoring session it helps them in developing social bound between seniors. TY students guided FY & SY students related to study preparation and placements.

Cognitive: Time management

Emotional: Exam pressure in both practical and theory. But this time sufficient time available for studies.

Future Plans: Students discussed their future plans about doing new online courses during vacations and other internship related activities.

2. Facilitator's response and suggestions:

The students are comfortable in a one to one interaction with the mentor, felt relaxed after sharing their concerns, created awareness about the different credit courses that can act as a bridge for their short comings, methods to retain and recall need to be inculcated. Explained to them the importance of feedback, how to motivate self to do better things in life and how to prepare for exams. The mentor advised the student who was not interested in the course to follow the subject in which she is interested and not to take any kind of pressure.

3. Outcome of the mentoring programme

- Motivated for systematic studies and overall development.
- Importance of clearing exams
- Importance of giving positive feedback
- Improved understanding and awareness about their strengths, accomplishments and concerns
- Identification of resources and ways of seeking help in college
- Requested TY students to join the alumni group
