**REPORT : Remedial Course in English**

**Date: 30<sup>th</sup> August 2022 to 15<sup>th</sup> March 2023**

**Classes: FYBA B – Marathi Medium students**

The Department of English conducted a yearlong Remedial Course in English for the students of the Marathi medium of FYBA B. The course was organised in an attempt to enable students to feel comfortable with the syllabus once the topics are addressed in the class with a larger group of students. The course was focused on familiarising students to the diverse texts that were studied as part of the course and also tried to help them brush up on their grammar and communication skills. The course made students overcome their fear of the English language and helped them not only become more interactive but also score better marks through self-study and note-making.
