ABOUT THE INSTITUTE

St. Mira's College is an integral part of the Mira Movement in Education, it was founded in 1962 by the visionary philosopher-saint Sadhu T. L. Vaswani as the first college set up exclusively for women in Pune.

Our patron saint is Saint Mira, who epitomizes Bhakti, Indian values, the courage of conviction and rebellion for the right. Our spiritual Guru, mentor and the inspiration behind all efforts of the college is the revered Dada J. P. Vaswani. The motto of the college – 'Kindle the Light' indicates our commitment to impart to students the spirit of simplicity and service, purity and prayer.

The Mission Statement of the college – To empower and equip women students through an integrated education of the Head, Hand and Heart, to successfully meet the challenges of competitive work life and inculcate in them the Art of True Living. Eminent citizens, well versed in academics, with strong leanings toward social issues and student welfare, grace the managing committee of the college.

ABOUT THE ORGANISING DEPARTMENT

The Internal Quality Assurance Cell (IQAC) was established in the year 2004. The Cell has been functioning as integral part of Academic and Administrative activities. It has become an important contributor to the institution's system of quality enhancement and sustenance, in keeping with the vision and mission of St Mira's College. Over the years the IQAC has introduced various mechanisms for consistent quality improvement across all academic and administrative parameters, with a focused vision towards academic excellence. It is ably led by Dr Jaya Rajagopalan our IQAC coordinator under the guidance of our principal Dr. Gulshan Gidwani.

ABOUT THE FDP

This FDP aims to build up and expand the knowledge, skill set and applicative proficiency of the statistical software in the field of research. The FDP caters to the diverse needs of research scholars, faculty members and executives in industry, associated with the field of research and intend to learn nuances of analytical dimensions of research.

OBJECTIVE OF FDP

This FDP is planned to support the values required for collaborative work, such as mutual respect and fairness. This is essential because scientific research and social research depends on collaboration between researchers and groups. Research ethics ensure that the public can trust research. For people to support and fund research they have to be confident in it.

TOPIC COVERAGE

The programme will cover the following advanced areas in research with a focus on in–depth aspects of research and their application in the respective functional areas.

- **RESEARCH – BASIC CONCEPTS.**
- **ART OF WRITING RESEARCH PAPER/THESIS**
