Activity Report

Title: Workshop on Intellectual Property (IP) and IP Management inStartup

Date: Friday 15th March 2024

Time: 9.30 am to 11 pm

Number of Student Participants: 97

Number of Faculty Participants: 06

Venue: A.V. Room

Overview:

The Centre for Women Entrepreneurship (CWE) organized a workshop on Intellectual Property (IP) and IP Management on March 15, hosted in the AV room.

Advocate Shailendra Pathak, an expert in the field of Law, founder of Legalance was the speaker.

The primary objective of the workshop was to impart knowledge to students about the importance of IP in the business landscape and equip them with effective strategies for managing it.

Advocate Pathak adopted an engaging approach throughout the workshop, incorporating personal anecdotes and relatable examples to elucidate complex concepts. Participants were introduced to the fundamentals of IP, including patents, trademarks, and copyrights. They learned about the process of registering IP and the importance of documenting their ideas to protect them from infringement.

Advocate Pathak explained the nuances of IP rights and the legal framework surrounding them in a simplified manner. Further, the speaker emphasized on the need for prudent planning and resource allocation and shared insights into leveraging IP assets to generate revenue through licensing agreements and collaborations. Practical strategies for identifying, protecting, and commercializing IP were discussed, tailored to the entrepreneurial context.

The workshop fostered an interactive learning environment, encouraging students to ask questions and participate in discussions. Case studies and real-world examples were employed to illustrate key concepts, enhancing understanding and retention.

The workshop, proved to be an invaluable learning experience for students aspiring to venture into entrepreneurship. Through its detailed discussions, practical insights, and interactive learning approach, the workshop equipped participants with the knowledge and tools necessary to navigate the complexities of IP management effectively.
