Mechanisms for Identification and Assessment of Learning Abilities

- Mentoring Sessions to understand students' abilities, strengths and weakness:

MENTORING REPORT

Date: 11-02-2023

Venue: Room No.102

Time: 10:00-11:00 am

Mentor: Asst. Prof. Rajni Singh

1. Issues or problems shared by the students

Social: Lack of confidence, Public Speaking

Cognitive: Lack of confidence in appearing for physical exams, time management

Emotional: Increased emotional stress, Fear of marks

2. Facilitator's response and suggestions:

Opening a safe space to talk, collaborative study, identifying things that can be easily controlled in their environment, time management techniques to prepare for the exam and to attempt exams and suggestions to meet college counsellor for the emotional concerns.

3. Outcome of the mentoring programme:

The mentoring session turned out to be very successful as mentees (students) opened about issues faced by them. Students got an idea about preparation for the exams and time management.

REMARKS

Students were not having any complains relating to college. Students showed keenness to join alumni association. Also, students agreed to share progression data on completion of their graduation.

Activity Report

Title: Mentoring Report

Date: 15th February 2024

Number of students: 13

Report:

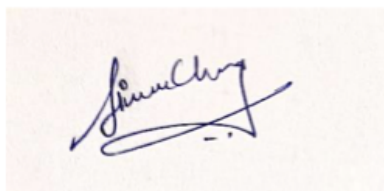

The session held on 15th February 2024 to establish a rapport with S.Y.B.Com. students. The session aimed at receiving inputs from the mentees on their issues of concern related to the institution and systems. The session was dedicated to get to know the students and their experiences at the institute with respect to lectures, extra curriculum activities, sports, library, etc. throughout the session the mentor teacher was able to identify the students and their viewpoints or points.

On the basis of the discussions certain concerns and queries were raised as under:

1. Organizing more technical certification courses at college level itself. For example, Tally and etc.
2. Students' facilities to be increased with special emphasis on insufficient space for parking.
3. Canteen hygiene and food quality related issues.
4. Teaching in English and regional languages.

The following suggestions were offered to the mentees:

1. Students were assured that this suggestion will be considered at the best possible way and will be communicated to the management as well.
2. Parking related problem is faced because the students do not park their vehicles in a proper way, here students were oriented to park in discipline and inform others as well.
4. Canteen committee will be requested to look into the Hygiene related issues and quality of food.
5. Girls were encouraged to come out of the comfort zone and put their efforts to learn English language along with the regional once.
