Report :

The Department of Accountancy strengthened its ties with MOU partner NGO Spherule Foundation during 2023-2024. Spherule Foundation is an NGO which works in the field of POSH, Menstrual Hygiene and so on. It strives to provide the necessary awareness in girls who face problems in monthly menstrual cycle and pass on the information of the same to PMC school girls as well.

Good menstrual hygiene management plays a fundamental role in enabling women, girls, and other menstruators to reach their full potential. The negative impacts of a lack of good menstrual health and hygiene cut across sectors.

During August and September 2023, the TY BCOM volunteers undertook sessions in PMC schools like Kai.sau. shantabai hiranman khule school, Khulewadi, Mahatma Phule high school, Hadapsar and Sane Guruji Vidyalaya, Hadapsar, Pune to create awareness about sanitation and helping those who faced problems.

The volunteers also actively participated in data collection through a survey form provided by Spherule Foundation.

The volunteers in turn became sensitive towards the need of less privileged citizens of the society.
