The image shows a Gmail interface with an email from Sejal D. The email subject is "TYBA CENG Assignment Re Submission" and it contains a request to open a Microsoft PowerPoint presentation. Below the email, a screenshot of the PowerPoint presentation is shown. The presentation slide features a dark background with a forest scene and text in red and white. The text on the slide reads: "The setting is *Skjoldbjærg*'s hometown of *Tromsø*, in northern *Norway*, about two hundred miles north of the *Arctic Circle*, a place that from spring to late summer has *no real night*." Below this, it says "Insomnia 1997". Further down, it states "Winter in *Alaska* can be desperately bleak, and that's not simply because of the *sub-zero* temperatures. At the height of *summer*, the sun doesn't dip below the horizon for *60 days* straight." At the bottom right of the slide, there is a smaller image of a mountain landscape labeled "Insomnia 2002".
