students to develop the skills required to give creative expression to their personal thoughts, emotions and ideas, a collaborative course was designed for the students across borders. The course also aimed to assist students in engaging with different forms of writing such as the haiku, sonnet, drama and short fiction and gain comparative knowledge of various cultures and literary genres and styles through intercultural exchange

The course consisted of a pre-course interaction in the form of an ice-breaker on Padlet where students shared their interests and communicated with each other informally. The students of St Mira's and BMCC then met for synchronous sessions on 9th February, 9th March and 23rd March, 2023. The synchronous sessions were jointly led by the coordinating Faculty and opened discussions and creative writing sessions covering a range of genres. The first session covered love sonnets and students collaborated in break-out rooms to create their own love rhymes. The second session was devoted to a modern rewriting of Medea's feminist rant. The third session involved plot oriented creative writing of traditional archetypes and myths. All the synchronous sessions also included break-out room sessions in which students worked in groups on assigned tasks, including creative writing sessions which were shared on Padlet and discussed at the end of the session. The students of St. Mira's also worked on assignments of creative writing which ranged from haiku and sonnets to full length short fiction pieces. Apart from transnational literacy, students learnt to collaborate with people from so many different cultures and age groups in an extremely rewarding way.

To Whom It May Concern:

During the academic year 2023-24, an international virtual exchange took place between the University of Florida, Gainesville, U.S.A and St. Mira's College, Pune, India as noted below.

Dr Ravi Ghadge, Asst Profs Veena Kenchi and Suhaile Azavedo collaborated to do the course "MILE: Comparative Perspectives on Gender Inequality in India and the US". It was a 2-credit course of 30 hours with 4 synchronous sessions and collaborative assignments. A total number of 42 students from St. Mira's College and 70 students from the University of Florida participated in this exchange.

The interaction in all these courses was rewarding and we look forward to such collaborations.

Title: Under MOU Student Exchange Programme

Date: 8th January, 2024 to 12th January, 2024

St. Mira's College for Girls in Pune successfully hosted a dynamic Student Exchange Program from 8th to 12th January 2023, welcoming students from Dattajirao Kadam College, Ichalkaranjee. The ambitious schedule commenced with an inauguration on the 8th, featuring Dr. Vaishali Joshi and Dr. Vaishali Diwakar, setting the tone for an enriching exchange. The first day included a film screening and classroom discussion led by Manjita Kulkarni on the movie "Atma-Pamphlet," where students explored cinematic sociology through different theoretical perspectives. This experience, woven into their semester's curriculum, showcased cinema as a medium for social analysis and discourse. Total 45 students from St. Mira's were present for the inauguration program and for film screening.

The day continued with student activities, including a college tour guided by Ashwini, Dhanashree, and Vaishali, followed by a visit to the historic Aga Khan Palace by TYMM students total 6 students visited Aga Khan Palace from St. Mira’s. The visit to Aga Khan Palace became a pivotal moment, bridging history and contemporary relevance. Organized collaboratively, the visit allowed students to explore Mahatma Gandhi's life and principles. The participants observed artifacts, including Gandhi's Charkha, and visited the museum dedicated to Mahatma Gandhi, leaving a lasting impression on everyone.

The second day i.e. the 9th of January unfolded with a full-day tour to Naigaon, the birthplace of Savitribai Phule. This immersive experience offered students a profound cultural and historical journey. The intellectual exploration included an eye-opening visit to key sites in Naigaon, shedding light on the life and impactful contributions of Savitribai Phule to social reform. Students gained valuable insights into the challenges she faced and the transformative changes she spearheaded. The visit provided a deeper understanding of the historical context and the societal nuances that shaped Savitribai Phule's remarkable journey. Total 45 people went for this field visit, 36 students from St. Mira’s along with their 3 faculties joined this field visit.

On the 10th of January, a capacity-building workshop by B. Yuvraj from Shramik Hakk Andolan inspired students to understand their role in society. The transformative guest lecture on youth by B. Yuvraj instilled a sense of responsibility and social consciousness among the participants 63 students attended this guest lecture. Following this, the experiential learning continued with a stimulating group discussion on consumer culture, unravelling the intricacies of buyer behavior and decision-making processes Total 8 students participated in this group discussion. The next activity involved a creative poster-making session, emphasizing visual communication to convey the important theme of gender equality. Subsequently, the students extended their exploration with a Pune tour, visiting prominent cultural landmarks such as Dagdusheth Halwai Ganpati Mandir, Shaniwar Wada, Lal Mahal, and Jogeshwari Mandir (Gram Daiwat of Pune). This comprehensive itinerary provided a holistic understanding of consumer culture, gender equality, and Pune's historical significance, facilitating an engaging exchange of ideas between St. Mira's and Dattajirao Kadam College students from the sociology departments.

On January 11th, students from Dattajirao Kadam College, accompanied by Dr. Vaishali Joshi Ma'am and Dr. Vaishali Diwakar Ma'am, engaged in a significant heritage walk across Pune. The excursion covered key institutions such as Aryabhushan Press, Gokhale Institute, Bhandarkar Indological Institute, FTI, NFAI, and Balbharti, aiming to broaden their understanding of Pune's cultural and educational heritage. The visit provided insights into literary history at Aryabhushan Press, academic research at Gokhale Institute, and cinematic preservation at FTI and NFAI. The heritage walk, concluding at Balbharti, contributed to a comprehensive grasp of Pune's historical, academic, and cultural dimensions, reinforcing the cultural exchange's depth. This event emerged as a pivotal element within the overall student exchange program, enriching participants' knowledge and fostering mutual cultural understanding.

The success of the student exchange program was evident in the seamless integration of students from Dattajirao Kadam College with the St. Mira's community. The students from Ichalkaranji actively participated in planned activities, fostering an open and enthusiastic

atmosphere. This cultural blending contributed to the program's success and left lasting memories for all involved.

The collaborative spirit reached its pinnacle during the Valedictory program on 12th January, held in the AV room. Students and teachers from both colleges shared their reflections, learnings, and expressions of gratitude. Also, students from TYEM and MA performed a singing and dance performance for Dattajirao College Students as a cultural exchange. The exchange program proved to be a transformative experience, fostering cultural diversity, and enriching academic perspectives. Each day offered a unique opportunity for students to learn from each other, grow, and form lasting connections. Total 51 students of St. Mira's attended this valedictory program.

Overall, the student exchange program between St. Mira's College for Girls, Pune, and Dattajirao Kadam College, Ichalkaranji, from 8th to 12th January 2023, was a resounding success. The thoughtful curation of activities, cultural exploration, and academic engagement created an environment where students not only learned from each other but also forged bonds that will last a lifetime.
