Activity Report

Title: Guest Lecture by Alumna Shruti Nimkar on Studying Abroad

Date: Tuesday 10th October 2023

Time: 11am to 12pm

Number of Student Participants: 21

Venue: The Centre for Lifelong Learning

Report:

Shruti Nimkar began her talk with the students of the FYBA by discussing FAQs or frequently asked questions like: what documents are required to go abroad, what are the various Masters programmes available, how long are the courses, what do they cost etc? She went on to talk about how to write a statement of purpose, the importance of good marks and extra-curricular activities. She talked about the subjects she studied under publishing and her assignments which included curating stories for a book called *Riptide*, editing and launching the book. This was followed by an active question and answer session where students asked if she was afraid and how she coped with the stress. Shruti's concluding lines were that despite various setbacks in her heart she knew that she "deserved" this experience and she encouraged the students to strive hard and achieve their dreams.

The session was both rewarding and motivating and concluded with the alumni sharing their contact details in case anyone had further queries.
