Subject: Report on Microsoft Azure Training Program

The students of FYMSC -CS Participated in the Microsoft Azure training program from 10 August 2023 to 20 October 2023. Magic Bus India Foundation with **Accenture** has initiated a FREE 6-week full-time "Azure Certification Program". The program basically caters to students within the age group 18-25 years. It aims to identify, enroll, and train fresh graduates by delivering training sessions on Azure Certification, and employability skills, and providing placement support. This entire Training program and placement support is completely free of cost. The training program was conducted on a full-time basis from Monday to Friday.

This report provides an overview of a two-month training program that gives both Microsoft Azure technical skills and soft skills development. This training improves our Microsoft Azure cloud technologies and enhances their collaboration and project management abilities. Students have covered training in these concepts - Cloud Concepts , Azure Architecture and Services , Azure Management and Governance . They are also trained in Soft Skills Development , Communication Skills, Problem-Solving and Critical Thinking: - The two-month training program that combines Microsoft Azure technical skills and soft skills development is designed to provide participants with a well-rounded skill set for a successful career in the IT industry. The program covers a comprehensive range of Azure topics and fosters collaboration and project management skills that are equally essential for professional growth. Continuous assessments, hands-on labs, and practical exercises are integrated into the program to ensure participants' proficiency and readiness for the challenges of the IT field. **Three** students attended the training
