Celebration of World K-pop Day - K-Palooza

K-palooza, an event held on the 12th of August, 2023, was organised by the committee members of the JnK Club under the Dept of English, and aimed to celebrate the K-pop Culture vibrantly and engagingly by bringing together students from various departments to spend time away from stressful academics.

One of the main attractions of K-Palooza was the Random Play Dance session, where participants showcased their dance moves to popular K-pop songs. This activity provided a platform for students to express their love for K-pop through dance and fostered a sense of camaraderie among attendees as they danced alongside like-minded friends.

In addition to the dance performances, the Mafia game added an element of thrill and strategy to the event. Participants engaged in intense rounds of deduction and deception, sharpening their mental acuity while having a blast with fellow attendees.

K-Palooza served as a space for K-pop enthusiasts to come together and bond over their shared passion. Attendees could interact with one another, exchange thoughts and opinions on their favourite K-pop groups, and forge new friendships based on mutual interests. This sense of community building was one of the most cherished aspects of the event, fostering a supportive and inclusive environment for all participants.
