**Report on the Green Club Water conservation session held on 22nd March 2024  
in St. Miras College for Girl's, Pune.**

Date: 22nd March 2024

Time: 4:00-5:00 pm

Venue: Google Meet (Virtual Platform)

Attendees: Students, Faculty Members

On 22nd March 2024, The Green Club organized an online session focusing on the vital topic of water conservation. The session aimed to raise awareness among students and faculty members about the importance of conserving water and the various methods to achieve sustainable water usage. The session was conducted through a virtual platform to ensure maximum participation despite physical constraints. Two faculty members and 31 students attended the session.

The online session on water conservation proved to be highly informative and engaging, providing attendees with valuable insights and practical solutions to address the challenges of water scarcity. It served as a platform to inspire collective action towards sustainable water management and underscored the critical role of education and awareness in fostering a water-conscious society.

The Green Club intends to organize more such sessions and workshops on environmental sustainability, including water conservation, to continue educating and empowering the college community towards responsible stewardship of natural resources. Overall, the session was a resounding success, generating enthusiasm and commitment among participants to contribute towards water conservation efforts in their respective spheres of influence.

The session was coordinated by the youth president and vice president, Ms. Yukta Pillay and Ms. Hrithika Kahol and guided by Dr. Rajni Singh.
