3.	21st December, 2023	Java Development using Spring Framework
4.	3rd and 4th February 2024	Alumni Association Collaboration with a National Level Conference

St. Mira's College Alumni Association

Alumni Association in SIP

The Alumni Association began its journey in 2023-24 with the Alumni Representation in the Student Induction Programme conducted in July 2023. The Alumni Association of St. Mira's College invited Ms. Naheed Vakaria (BBA, 2013-16, at present working with Bank of New York Mellon as client services group specialist) and Ms. Devyani Rupeeja (B. Sc, M. Sc, 2018-20 currently working with Deloitte as a software professional) to conduct an informative session on the Alumni Association in Student Induction Programme on 10th July 2023, highlighting its significance in fostering a strong network of professionals. The session provided students with a unique opportunity to connect with successful graduates, gaining insights into their career paths and valuable advice. Through engaging discussions and networking, students were inspired to leverage alumni resources and establish meaningful connections for future professional growth and mentorship.

Report on Java Workshop 2023-24

Ms Smita Borkar organized a workshop on “Java Development using Spring Framework” on 21st December 2023 from 11:00 am in room No 304. It was designated for the students of TYBSc and MSc Computer Science. An alumna of the Computer Science department Ms Jaina Shah shared her expertise in the workshop. Students got hands-on experience and knowledge of creating a basic application in Java using Spring Framework using various dependencies of Spring Framework.
