Activity Report

Title: Guest Lecture by Punarawartan Collaborator Ms. Suchismita Rai on Ecofriendly GaneshPunaravartan Clay Recycling Campaign

Date: Thursday 14th September 2023

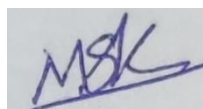

Time: 5pm to 6pm

Number of Student Participants: 45

Venue: Gmeet Platform

Report:

Ms. Suchismita Rai started her talk with the importance of recycling and she spoke about Ganapati festival. This lecture was truly enlightening and inspiring for all Sociology and NSS students. Students had the privilege to learn about this impactful initiative. The heart of the "Punarawartan" campaign lies in its noble mission to promote environmental sustainability, particularly during the Ganesha festival. Ms. Suchismita Rai passionately explained how the campaign revolves around the collection of clay sludge and idols after, visarjan (immersion) from devoted participants. Instead of allowing these materials to contribute to pollution, they are gathered and entrusted to skilled artisans for recycling. Recycling campaign is a movement that encourages people to celebrate Ganesha in a sustainable and responsible manner. It embodies the idea that traditions can coexist harmoniously with environmental consciousness. It serves as a shining example of how individuals and organizations can make a positive impact on society by fostering sustainable practices and raising awareness about crucial issues.
