Title: Guest Lecture by Punarawartan Collaborator Ms. Suchismita Rai on Ecofriendly GaneshPunaravartan Clay Recycling Campaign

Date: Thursday 14th September 2023

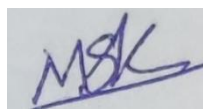

Time: 5pm to 6pm

Number of Student Participants: 45

Venue: Gmeet Platform

Report:

Ms. Suchismita Rai started her talk with the importance of recycling and she spoke about Ganapati festival. This lecture was truly enlightening and inspiring for all Sociology and NSS students. Students had the privilege to learn about this impactful initiative. The heart of the "Punarawartan" campaign lies in its noble mission to promote environmental sustainability, particularly during the Ganesha festival. Ms. Suchismita Rai passionately explained how the campaign revolves around the collection of clay sludge and idols after, visarjan (immersion) from devoted participants. Instead of allowing these materials to contribute to pollution, they are gathered and entrusted to skilled artisans for recycling. Recycling campaign is a movement that encourages people to celebrate Ganesha in a sustainable and responsible manner. It embodies the idea that traditions can coexist harmoniously with environmental consciousness. It serves as a shining example of how individuals and organizations can make a positive impact on society by fostering sustainable practices and raising awareness about crucial issues.

Date: Tuesday 12th March 2024

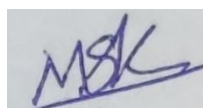

Time: 10:45 am to 12pm

Report:

Jyoti Devare from SVCON, spoke about the problems of old people, then she asked, she discussed about the responsibilities of youth towards Ageing population, question and case studies were discussed and she tried to get answers from the youth by asking small questions like, how can we help and take care of old people? Why they have trouble in doing small things, how we can help them to adjust with this ageing process? She gave some examples like if any old person is crossing road, we should not ignore him we should help him crossing the road it is our responsibility to help them or any old person is standing in the bus we should give them seat to sit. She said that we should start this change from our house like taking care of our grandparents, spending time with them, helping them with their work etc. She also told students about the importance of Ageing population in our lives, gave them insight about the small things we can do to help them in their daily routine. And tried to make them realize how a youth can bring a change. She took promise for this change. This lecture was for SYBA Sociology general students.
