**HIROSHIMA DAY 2023-24**

The Department of Politics and Public Administration organized a screening of the movie- Oppenheimer on the occasion of the Nagasaki Day on Sunday, 6<sup>th</sup> August 2023.

Hiroshima Day is a reminder of the violence and dangers of nuclear armaments and dangers of nuclear warfare. The department planned the screening of this movie to make students understand the process of political decision making based on social, ideological and military conditions. Oppenheimer is an excellent movie which portrays the conflict between academic thought and political- military decisions. It was an attempt by the department to understand American policy decisions with regard to the development of the bomb and the use of this deadly weapon in August 1945. 10 students participated in this activity.
