Younity.in is a platform for ever-growing learners. It is a community where students come together and shape themselves for a better future. Younity.in guides the students at every walk of life, right from building the right skills to choosing opportunities after college.

I write this letter of recommendation for **Saish Gupta** who has been a diligent and sincere part of Younity.in. She has been a self-starter and productive contributor to team efforts. In addition to having a high degree of integrity and a cheerful personality, she is one of those individuals who can both follow instructions and take initiatives. She has demonstrated the ability to work under pressure and to plan and organize successfully to meet time deadlines. She is strong in time management and her competence extends beyond the skills for which she was originally hired. She worked here with utmost dedication and performed very well as a **Corporate Development Specialist** Intern for the period starting from **4th April, 2023** to **14th April, 2023**.

Saish Gupta has been working very hard towards all the tasks assigned to her. During her tenure at Younity.in, she has added a lot of value to herself and to the company. I, therefore, recommend **Saish Gupta** without reservation, and I know she will be of great value to your organization.
