

Strategies that benefit Learners with Different Abilities

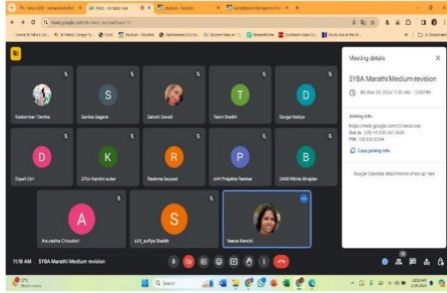

- Special classes, Tests and Assignments

ST. MIRA'S COLLEGE FOR GIRLS, PUNE

Autonomous- Affiliated to Savitribai Phule Pune University

Department of Politics and Public Administration

Special Sessions for Marathi medium students. 2023-2024

1. Special Online Classes (Audio-Visual Content)- To address the unique needs of Marathi-medium students, the department organized special online classes that leveraged audio-visual content. These sessions were designed to simplify complex concepts in politics and public administration, ensuring better comprehension for students who face language-related challenges. The audio-visual material, including video lectures, infographics, and animations, was created in Marathi to make

learning engaging and accessible.

2. Student Presentations as Assignments- As part of the initiative, students were assigned topics for group presentations to foster a deeper understanding of the subject matter. These presentations were conducted in Marathi, encouraging students to research, organize, and present ideas effectively in their native language. Students were encouraged to utilize audio-visual aids in their presentations, which helped improve their technical skills alongside their academic understanding. This activity not only enhanced students' subject knowledge but also built their confidence in public speaking and collaborative work.

3. Guest Lectures in Marathi- In addition to the online classes, the department invited experts and practitioners to deliver guest lectures in Marathi. These sessions provided students with valuable insights into real-world applications of political theories and administrative practices. The use of Marathi in these lectures ensured that students could connect with the content effortlessly. The interactive format allowed students to ask questions and engage in meaningful discussions with the experts.

The department is committed to continuing these initiatives and further enhancing the quality of support provided to Marathi-medium students, ensuring an inclusive and enriching educational experience.
